### Comment Card - Public Scoping Meeting

Thank you for taking the time to fill out this comment card; you are a vital part of the planning effort. We would like to hear your thoughts on the following questions. Feel free to attach additional sheets as needed. This Plan/EIS will identify the tools the NPS will use to restore the shoreline, foredunes, and associated biological communities.

If you prefer, you can comment online at <http://parkplanning.nps.gov/indushoreline>. Please submit your comments by February 7, 2011

What are the most important shoreline restoration and management issues?

What are the most important ecological issues along the shoreline and foredunes?

Which shoreline restoration and management tools should NPS consider?

Which shoreline restoration and management tools should NPS not consider?

Do you have any other comments or concerns about the Plan/EIS the NPS should consider?

Please feel free to add additional comments and pages.
